Treating Chronic Diseases & Cancer - An Integrative Approach

Tuesday, May 21, 2019 | 6:30 – 8:00 pm
Residence Inn Cambridge
120 Broadway, Six Cambridge Center
Cambridge MA 02142

Say YES
to LIFE!

Integrative Biological Medicine and Dentistry
for the treatment of chronic diseases and cancer
A guide for patients, relatives, and for prevention

Dr. Uwe R. M. Reuter MD and Dr. Ralf Oettmeier MD (editors)
in co-authorship with Dr. Josef Vizkelety MD, DDS

Ralf Oettmeier, MD
Josef Vizkelety, MD, DDS,
Alpstein Clinic, Switzerland

A comprehensive overview of the **Alpstein Clinic Concept**, which focuses on the most important pillars of whole body medicine and dentistry:

- Diagnosis of Root Causes
- Purification & Release
- Regeneration & Rejuvenation
- Harmonization & Awareness.

The doctors will also discuss key themes from their recent book, **Say Yes to Life** which offers clarity, innovative treatment approaches, and hope for those suffering from chronic illness and cancer.
